#### I. Victory Over the Evil World

1 John 5:1-5

1. Why do people need to know we must be born again by grace through faith in Christ (Ephesians 2:8-10) to have the love for God that will cause us to obey His commandments?

2. Why must the faith that overcomes the world be our sincere belief that Jesus, the Son of God, is our Savior and Lord, combined with persistent faithfulness to Jesus Christ in our living?

#### II. Those Who Believe Have Eternal Life

1 John 5:6-13

1. The four Gospels tell the story of Jesus' birth, life, ministry, miracles, death, resurrection, and ascension. Why is this story compelling evidence that Jesus is Christ and Son of God?

2. What do you think John meant by saying that when we believe on the Son of God, we have the witness of our belief in Him in ourselves?

#### III. Live Confidently in God

1 John 5:14-21

1. Why is God's good will being done for us, in us, and through us our protection not only when we pray, but in all of our living?

2. Seeing that as believers in Christ, we "know" the one true God and we "know" Jesus the Son of God, why is the command that we abstain from idolatry of special importance?
