5. We've learned about the Roman Road to share the gospel. To help us practice, could we have two sets of volunteers. Here's a way we can use role-play with one person as the "believer" and one as the "unbeliever."

## **Instructions for Volunteers:**

One will act as the "believer" (someone familiar with the gospel and wanting to share it), the other as the "unbeliever" (someone curious or unsure about Christianity).

The goal is for the believer to lovingly and clearly walk the unbeliever through the steps of the Roman Road, using questions and explanations at each step.
